Hello Competitors!

We're trotting towards our upcoming show & I'm here to ensure your horse's dining & snoozing arrangements are as polished as your tall boots. We've established some new guidelines for ordering bedding, hay, and feed that will make your show experience more comfortable and hassle-free. Keep these deets in mind for the future if you included the stabling essentials with your entry...we already got you covered!

You can reach me at **(619) 818-3538 (calls & texts are welcome)** or drop an email at **karla@HITSshows.com**. Think of me as your fairy godmother for all things stabling & supplies.
- **Wednesday thru Friday be sure to place your orders before 2pm for same day delivery.** It's like magic, but you know, with a schedule.
- **Missed the 2pm slot?** No worries! Orders received after 2pm will be delivered the following day.
- **Saturday orders need to be placed by noon for same day delivery.** Sunday's our team is off finding their inner zen, so **no orders or deliveries will happen on Sundays.**
- 💰 **Payment Protocol:** When you place your order at the show, payment will be collected then and there, so please have your credit card ready. It's like a drive-thru, but for your horse's needs!
