HITS DEL MAR WELCOME

Dear Exhibitors, Sponsors, Vendors, and Supporters,

It is with immense pleasure and excitement that I welcome you back to Del Mar Horsepark for the 2024 season. As we gear up for this upcoming season, I want to express my deepest gratitude for your unwavering support during our first season since our remarkable remodel. Your enthusiasm, feedback, and commitment to our facility have played a pivotal role in our success, and we could not be more thankful.

In 2023, we embarked on a journey to enhance your experience at Del Mar Horsepark, with your needs and comfort in mind, we introduced new stalls and updated our arenas with state-of-the-art eb and flow technology, complete with GGT footing. These modifications have not only transformed the landscape of our park but have also provided you with superior facilities to showcase your talent while keeping your horses' comfort in mind.

The commitment to excellence at Del Mar Horsepark does not stop here. As we look to the future, we have ambitious plans in store for the 2024 season. We are excited to announce that we will be completely redoing our indoor arena to further elevate your riding experience and provide a world-class setting for our events. We are also proud to introduce a new catering team that will ensure your culinary needs are met with the same level of quality and care that you have come to expect from us.

We eagerly anticipate the return of each and every one of you to our park. The 2024 season promises to be filled with thrilling competitions, camaraderie, and unforgettable moments. Our commitment to providing you with a premier equestrian venue and a warm, welcoming environment remains unwavering.

Thank you once again for your support and your role in making our facility truly exceptional. We look forward to celebrating the 2024 season with you and making it a year to remember.

Warm regards,

Dale Harvey

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 , Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: HorseSport.org

Horses competing in this division must have an FEI passport. Horses will be stabled in the Secured FEI Stable Area and must remain until the conclusion of the FEI division each week. For complete specifications and fees, please visit FEI.org and view the Definite Schedule.

Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith. To the extent there is a conflict between the prize list and the USEF rules, USEF rules will prevail.

USEF WAIVER AND RELEASE OF LIABILITY, ASSUMPTION OF RISK & INDEMNITY AGREEMENT: Effective immediately, all individuals on the property will be required to sign the USEF Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement. The Agreement will be available on our website (HITSShows.com) and can be executed and signed electronically.

By entering a Federation Licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation"). I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/ or the competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of California, and any action instituted against the Federation must be filed in California State. See GR 908.4. The Horse Show Committee reserves the right to itself to interpret all questions and conditions in regard to or arising out of, or incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by the Horse Show Management; its decision to be final. The Horse Show Management reserves to itself the right to limit entries in any class, section or division, to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit exhibition of entries, and cancel award prizes, without any claim for damages; to change any course, to add a dotted line, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate judges; to change specifications in Jumper classes as competition warrants. Every horse entered herein for competition will be under the control of the Horse Show Management, but the Show Management will in no case be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall hold the horse show and the officials, employees, directors, officers, sponsoring entities of the horse show and the facilities at which the horse show is held blameless for any loss or accident to his horse(s), employee(s), or equipment which may occur from sickness, fire or other cause. Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith. In the event of a cancellation due to severe weather or other emergency, refunds of entry fees must be made upon request by the exhibitor within 30 days of the cancellation.

MANAGEMENT: Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management—their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person—all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse—a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, West Palms Event Management, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

DAMAGE: Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

ADHERENCE TO THE RULES: All individuals on the horse park property are required to adhere to the rules mentioned in the prize list or as directed by the employees at the horse park. Trainers are all responsible for employees adhering to the rules. Violations will result in expulsion from the horse park.

THE FOLLOWING IS REQUIRED FOR EACH ENTRY:

- All horses on grounds must be registered on an entry blank including horses not entered in classes. One entry blank per horse.
- Entry forms must be complete with owner, riders, trainers and payee information including association membership numbers.
- Signatures of owner, riders, trainer and parent or guardian of minor exhibitors. Parents or guardians of minor exhibitors shall hold the Horse Show, HITS, LLC, West Palms Event Management, Inc., Del Mar Horsepark and staff harmless for injury to such minor(s).
- Entries must be submitted electronically through the Show Management System Online Entry platform.
- A \$500 deposit is due per horse at the time of entry and is nonrefundable after the entry due date. This deposit will be applied to the individual horse account for that show. This deposit does not reserve the stall and is non-transferable between horses or accounts.
 - An open check or credit card is required at time of check in before numbers will be issued. Make checks payable to HITS, LLC or complete the credit card information through your Show Management System Online Entry platform.
 - A 3% credit card fee will be applied to all credit card transactions and is nonrefundable once the card has been processed.

Accounts must be closed at the end of each show week. Management will close Exhibitor Accounts that have not been settled at the conclusion of each show. Back numbers will not be issued until previous week balances are closed. Exhibitors must close out their account online through Show Management System Online Entry platform.
